

Does Anybody Hear Her?

Verse 1

She is running hundred miles an hour in the wrong direction
She is trying But the canyon's ever widening In the depths of her
cold heart

So she sets out on another misadventure just to find
She's another two years older and she's three more steps behind

Chorus

Does anybody hear her? Can anybody see?
Oh does anybody even knows she's going down today
Under the shadow of our steeple With all the lost and lonely people
Searching for the hope that's tucked away in you and me
Does anybody hear her? Can anybody see?

Verse 2

She is yearning for shelter and affection that she never got at home
She is searching for a hero to ride in to ride in and save the day
And in walks her prince charming and he knows just what to say
Momentary lapse of reason and she gives herself away

Bridge

Judgement looms under every steeple with lofty glances from lofty
people
Who can't see past her scarlet letter and we've never even met her

Ending

He is running hundred miles an hour in the wrong direction
