

Stand Still

The Father has a plan though it's hard to see it now
You feel you're walking all alone but he is there no doubt
When the storm around you rages
And you're tossed to and fro
When you're faced with life's decisions
Not sure which way to go

Chorus

Stand still and let God move
Standing still is hard to do
When you feel you have reached the end
He'll make a way for you
Stand still and let God move

When the enemy surrounds you and the walls are closing in
When the tide is swiftly rising
And you wonder Lord, where have you been
Friend there never was a moment
That his arms weren't reaching out
You can rest assure and be secure
God is moving right now

Bridge

The answer will come but only in his time
Stand still and let God move
Stand still and let God move
